Am I eligible?

Our scholarship criteria are diverse. Many scholarships are available both to high school seniors and people who have already graduated from high school. Some are one-time awards and others are renewable for up to four years. Award amounts vary from \$500 to \$10,000.

All applications are accepted online only. Due date for all components of scholarship applications is February 15, 2024, unless otherwise noted on our website. Late applications are never accepted.

How to apply

The application process is simple.

Go to the Scholarships page on our website.

Browse scholarship listings organized by financial need or other criteria.

Click the APPLY NOW button to create an account and complete the application. Based on your responses to the questions, the system will automatically show you all the scholarship applications for which you are eligible.
