

OVERVIEW

Morrison Area Community Foundation

Founded in 2007, the Morrison Area Community Foundation (MACF) is a Geographic Affiliate of the Quad Cities Community Foundation. Our mission is to enhance and improve the educational, cultural, recreational and economic environment of the City of Morrison and surrounding areas. We assist individuals, families, businesses and organizations in meeting their charitable giving goals by supporting the causes that matter to them.

MACF exists because of donors like you—people who partner with us to address emerging needs and create vibrant solutions to make the Morrison community a better place to live, serve and visit. A community can only be as strong as the people supporting it. Whether you are a first-time donor or a current fundholder, thank you for making the work of MACF possible!

Why Give

Our community benefits from both large and small gifts given through the Morrison Area Community Foundation. Becoming a donor to MACF is an easy way to help support the community in which you have lived, loved, or raised your family. There are many ways to give, and we look forward to helping you find the option that works best for you.

Ways to Give

Giving does not require great wealth or a complicated process, and we have a variety of tools available to help you create your charitable fund and make an impact that will last forever. You can provide ongoing support to your favorite charitable organizations during your lifetime, after your lifetime – or both!

MACF Community Impact Grants

A variety of grantmaking opportunities support MACF's mission to enhance and improve the educational, cultural, recreational and economic environment of the City of Morrison and surrounding areas. Our grants are made possible because of the generous gifts from area donors.

MACF Community Impact grants may be used to fill a variety of funding needs for organizations serving the Morrison, Illinois area. These grants build a nonprofit's capacity to serve, support an organization's project or activity, or provide critical equipment and technology needs to fulfill the organization's charitable mission. MACF Community Impact grants may be awarded to nonprofit organizations that serve the Morrison community. MACF accepts grant applications from nonprofit organizations impacting a wide range of needs in the community—arts and culture, health, human services, community betterment, and more.

Fundamentals

Through the Quad Cities Community Foundation, we work with donors on a variety of gift types including cash, real estate, marketable securities, closely held corporations, tangible personal property, grain, IRAs or 401(k) plans, life insurance, charitable annuities, planned gifts, and charitable remainder trusts. Our giving experts will work with you to discuss your goals and help find the best giving vehicle for your situation.

Through economies of scale, the Community Foundation is able to charge minimal fees compared to the costs of establishing and maintaining a private foundation or administering and investing funds as an individual.

Administrative fees are based on the services offered for each type of fund and investment management fees are netted out of the long-term growth portfolio's rate-of-return. Our investment strategy holds long term objectives to preserve the real value of current assets and future gifts for the long-term benefit of the Morrison community.

The Quad Cities Community Foundation is a 501(c)(3) tax-exempt, publicly supported organization, and all gifts to it and its geographic affiliate component funds are irrevocable and tax deductible to the fullest extent of the law.
